Date Scheduled For Health Clinic

Anthony LaBarbara, chairman for the annual Multiphasic Blood Analysis (AMBA) program, announced that the Senior Citizens Action Council sponsored event will be held Oct. 10 in the Mt. Morris Central School between 8:30 and 9:30 a.m.

According to LaBarbara, in addition to offering the battery of laboratory tests, the program will also include a Health Risk Assessment (HRA), a personalized, computer-analyzed evaluation of the factors which affect good health. The HRA calculates the risk for heart disease, stroke, and other health problems by analyzing clinical lab tests for cholesterol and high density lipoprotein, as well as blood pressure readings and information from the HRA questionnaire.

The clinical lab tests and blood pressure reading are taken at the time of the program, and the questionnaire is distributed to be filled out at home and mailed for processing to MDS Laboratories, which conducts the program.

Another new feature of the AMBA program will be a low-cost test for colon-rectal cancer. The

test is a simple home procedure to check the stool for hidden blood, which can be a sign of cancer or other internal disorders.

The AMBA program is a service which focuses on preventive rather than curative health care. The physicians of regular participants in the program can build a significant patient data base necessary for practicing preventive health care. In addition to the Health Risk Assessment, the program consists of a battery of laboratory tests useful in monitoring the functions of the heart, liver, and kidneys, as well as the circulatory and endocrine systems.

The AMBA Program is conducted in coordination with local physicians, and all laboratory test results are sent directly to the participant's personal doctor.

The Health Risk Assessment and laboratory tests are designed to enhance the value of the relationship between patient and physician; they are not meant to be a substitute for a physician's examination or consultation.

Participation is by appointment only. For an appointment or information, call toll-free, 1-800-234-8888 weekdays between 7 a.m. and 8 p.m. and Saturdays between 8 a.m. and noon.

Nunda Remembers A Special Friend

When it's Christmastime in Nunda, residents especially recall the late Minnie Scott as a very dedicated community volunteer.

For 50 years, Mrs. Scott was active in the American Legion Auxiliary and for the 15 years before her death worked with Nunda Rotary Club on the Community Christmas Program. In fact, the large Santa Claus face near the ambulance garage was purchased in her memory by those who knew how much time and effort she devoted to the program. In dedicating that ornament, her friends said her presence could be felt throughout the holiday season. "Minnie" was truly a friend of the Nunda community, they point out.

The Nunda woman also organized the Happy Fingers unit for handicapped women so they could join together to learn crafts and have a social gathering.

Her contributions were recognized when she was named "Citizen of the Year" by the Chamber of Commerce. Previously, she had received a similar award from the Nunda Kiwanis Club.

"M is for our mother," Olive Swain who passed away one year ago, Sept. 19, 1986, at the age of 99 years. "It is lonesome here without her. And sad in every way. But God knew Best. And took her to his home to rest." Sadly missed and loved by her four children, 18 grandchildren, 50 great-grandchildren and 18 great-great-grandchildren.

The memorial dedication that took place at Canaseraga Park Sept. 6 for the late William (Bill) Pierce Jr. will long be remembered. It was well attended by his family, relatives and friends. Thanks to all who helped in anyway to make the dedication such a memorable event. There is still more to be done by placing a stone or monument with a plaque on it in front of the flag pole. Several people gave short speeches including Roger Kiley, Canaseraga Mayor Richard Johnson, Donald Wilson, and Assemblyman John Hasper, his mother Leila Pierce of Swain, and his son, Jerry of Orlando, Fla. Thanks to you all.

Mrs. Norman Didas of Perkinsville was a recent caller of Mrs. Julia Weaver.

Mr. and Mrs. Johnny Dieter were recent callers of Mr. and Mrs. Michael Dieter, Aaron and Amy of Dansville. Ice cream and cake was enjoyed to help Amy celebrate her fourth birthday.

Mr. and Mrs. Brett (Carol DePuy) Pierce of Nunda are parents of a son, Joshua Charles William, born Sunday (Sept. 13, 1987) in Strong Memorial Hospital, Rochester. Carol is the daughter of Mr. and Mrs. Brewster DePuy of Nunda and Bill is the son of Mr. and Mrs. Charles Pierce of Nunda, a grandson of Leila Pierce of Swain.

Mrs. Maynard Shewman and daughter of Henrietta and Diane Essler of Nunda were recent callers of their parents, Mr. and Mrs. Kenneth Carnes.

Let's all remember to send Mildred Cromwell a birthday card. She will be 87 on Sept. 29. Her address is in care of the Nunda Community Home, Nunda 14517.

PELLING THEFT

Before Noah Webster compiled his dictionary, he produced one of the most useful volumes ever printed in English, the Blue-Back Speller. Unscrupulous publishers pirated the speller and reprinted it without payment or credit. This led Webster to devise the federal copyright law, which Congress enacted in 1790 to protect the rights of authors.

Mrs. Belle Seager spent one day last week with her sister, Mrs. Charles Strivings in Canaseraga.

Mrs. Peg Buchinger and Mrs. Nin. Timothy attended a wedding shower in honor of their niece, Nancy Ludwig, in Genesee recently.

Perhaps it is not too early to announce that the date of the annual bazaar and supper has been set for Saturday, Oct. 24.

The 20th annual reunion of the Ludwig family held Sept. 20 at the home of Burdette Barney was attended by over 40 people from Hornell, Arkport, Warsaw, Castile, Nunda, Candor and Hunt as well as Dalton.

Mrs. Leon Wood was admitted to Warsaw Hospital Sept. 14.

Mrs. Helen Eisaman Montgomery was in Hartford, Conn. recently for a family reunion with her two sisters, Mrs. Kay Hauser and Mrs. Jan Kalisch, and their families. The three sisters had not met together for 25 years.

Mrs. James Bailey has been spending some time in Dayton, O. with Mr. and Mrs. Mickey Bailey and sons. She returned home with Terry Bailey and Marne Sanford who spent the weekend there.

Mr. and Mrs. Darrell Gelsner of Vestal are parents of a son born Sept. 4 who has been named Matthew Lee. Mr. and Mrs. Ira Gelsner of Columbus, O. are the grandparents and Mrs. Daisy Gelsner is the great-grandmother. The Gelsners from Columbus recently spent a few days with Mrs. Gelsner in Dalton.

Mr. and Mrs. Leo Clute, David Clute and Mrs. Dorothy Pierce were in Olean Sept. 13 where they attended a family gathering in the newly-built home of Mr. and Mrs. Steve Clute.

Rev. Gwendolyn Wilson recently spent a week in Texas visiting relatives.

Charles Maker returned home Sept. 17 after three weeks in the Dansville Hospital.

The first week in September, three Boy Scouts in Garrett County, Md. received honors for their selfless efforts in saving the life of an eight-year-old Cub Scout who was drowning. Joseph Dever was swimming in Broadford Lake with fellow scouts at Pack 31's annual outing when he got in water over his head and became unconscious. Credited with taking him out of the water and using successful resuscitation were Scouts Greg Eichorn, C.J. Getson and Randy Lucas. Greg is the son of former residents, Gerald and Virginia Eichorn of Mountain Lake Park, Md., a grandson of Mrs. Fred LeClair of Dalton. Mrs. Eichorn was director of the Cub Scout Day Camp.

Dalton's gathering Sept. 20 at the American Legion Hall was

well attended, considering the dark and dreary weather and we expect to print more about it in this column next week.
